2) Courts have hitherto been established in villages which have a population of 1000 each or which have contributed not less than 5 suits, falling within the jurisdiction of a village Court, in a year. Though under the Regulation a Court may be established for a group of villages, villages have not hitherto been grouped for a court the Dy Comr, however, proposes grouping of villages in the taluks of Malur & Mulbagal

6) The rules generally adopted in selecting places for the establishment of village courts have been followed now. Excepting Kappalamadgu and Iragampalli, and Doddahanjur, the rest contain more than 1000 inhabitants each. Kappalamadagu, Iragampalli, and Doddahanjur contain 924, 833, 861 respectively. It seems unnecessary to consult the chief court with regard to the location of these courts, there will also be delay.

7) For the present, three courts may be sanctioned. When information is received further about suitable places, some more can likely be established.

8) The date is fixed for convenience immediately after the Dasara holidays.

TO

The Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

SIR,

J 3134

In continuation of this office letter No. 12022 dated 29th March 1915, I have the honor to forward herewith for the orders of Government copy of letter No. 703 dated 16th June 1915 together with its enclosure in original from the Deputy Commissioner, Kolar District, forwarding a statement showing the names of places in certain Taluks of his district where village courts have been proposed to be establish -ed and the names of persons available for selection as Village Munsiffs and Jurors.

I have the honor to be,

Sir,

Your most obedient servant,

U Jagannatha Aiyar

Assistant Commissioner,
For Revenue Commissioner,
Absent from Station.

CKS. MKD

Letter No. 703 dated 15th June 1915, from the Deputy Commissioner, Kolar District, to the Revenue Commissioner in Mysore, Bangalore.

In continuation of my letter No. 28 dated 31st July 1914, submitted through you to the Government of H.H. the Maharaja of Mysore General and Revenue Departments submitting proposals for the establishment of a Village Court in the village of Gownpally, Srinivasapur Taluk, I have the honor to enclose herein a statement showing the names of places in the marginally noted Taluks where village courts have been proposed to be established together with full information regarding the position in life, attainments, character etc., of persons competent to serve as Munsiffs and Jurors in the several villages.

Taluk.	No. of Courts.	Taluk.	No. of Courts.
Goribidnur.	1	Sidlaghatta.	1
Gudibanda (Sub)	1	Srinivasapur.	3
Bagepally.	1	Chintamani	5
Chikballapur.	1	Mulbagal.	5

Some of the Amildars and Assistant Commissioners wish to try the scheme only in a few selected localities in each Taluk so that they may be able to pay more attention in this direction with a view to the successful working of the scheme and I am also of the same opinion. With this view, selection of places has been carefully made, taking into consideration the importance of the place and the competent men available therein to serve as Munsiffs and Jurors.

A single village court in each Taluk as suggested in the case of Gownpally group of the Srinivasapur Taluk, if properly constituted and worked according to the letter and spirit of the Regulation and rules thereunder by the persons for whose benefit it has been established, would serve as an object-lesson to surrounding Villagers who might welcome similar institutions in their own villages.

(7)

With this end in view the Sub Division Officer Chikballapur has selected most prominent villages--one for each Taluk in his Sub Division. The Jurors proposed by him are all literate and an equal number of illiterate men, otherwise competent will be added in due course if found necessary, since literacy in the case of Jurors is not a necessary qualification, under the rules.

Of the proposals received from the Taluks of the Malur Sub Division, I have very litte to say. Amildar of the Malur Taluk proposes village courts for two groups which, in my opinion, will do for the present. The Amildars of Mulbagal and Chintamani Taluks have proposed village courts in five places in their Taluks, one for each Hobli.

The Amildars of Kolar and Bowringpet Taluks have not yet sent in their proposals. Urgent reminders have since been issued to them and on the receipt of their reports, further proposal will be submitted with my observations.

Lastly, I submit that every endeavour has been made to select, as far as possible only the best men available in the villages to serve as Jurors.

I now request that sanction of Government may be kindly obtained for establishing Village Courts in these places and to notify the same in the official Gazette under section 3 of the Village Court Regulation.

"C O P Y".

For Revenue Commissioner.
